# Bella, *an Immigrant's Tale*

PERFORMED AND WRITTEN BY VICKI SUMMERS

Waterfront resident Dr. Len Indianer's niece, Vicki Summers, presented a play portraying his mother's immigrant struggles and accomplishments.

Her beloved grandmother, a Russian Jewish immigrant, escaped the pogroms and made a life in America. Vicki played numerous characters in the play.

Vicki is an actress and drama teacher on Cape Cod and has a passion for telling her grandmother's life journey. She spent time after the one-act play to encourage everyone to seek to know your heritage and record it. For more information on this play, go to [vicki-summers.com](http://vicki-summers.com)
